Hello Windmill Community!
We just had a great gathering at Mathis FUM Church. It was nice to fellowship and worship with our Emmaus Brothers and Sisters from the Mathis area. For those that couldn't make it I hope to see you at the next Gathering at Karnes City UMC.

The dead line cut off for making the Men's walk in April is fast approaching. If you have a pilgrim please get the application in ASAP. If you don't please think about how you felt at your walk and think about someone from your church or a friend that would be a good candidate. Go to the Lord in prayer that he would lead you to a pilgrim for the walk.

In Mark 3:14 "Jesus appointed twelve that they might be with him and that he might send them out to preach and to have authority to drive out demons." Only twelve – and one fell away and was replaced – but think of what Christ can do with a dozen ordinary people who deny themselves, take up the cross, and follow Him. Think of

The wind blows where it wishes, and you hear its sound, but you do not know where it comes from or where it goes. So it is with everyone who is born of the Spirit.

Gleanings from the Martin Luther King, Jr. 2016 March

For most of the years that I have been a pastor in Beeville I have participated in the Martin Luther King, Jr. Walk from the courthouse to the church that is hosting the religious service. The walk is exercise of faith, striving for justice for all people, and healthy communication within community. The service has been a community expression of the struggle for equality and justice with some dynamic, energetic, entertaining, and "wound up" preachers over the years, and has brought tears to my eyes on almost every occasion. This year as we gathered in Bethlehem Missionary Baptist Church and I sat on the podium in front of the choir and behind the preacher, I felt called to share awareness of the event and its relationship to The Walk to Emmaus. The Rev. B.W. McClendon shared the words from 1 Corinthians 1:18 (*For the message about the cross is foolishness*)

to those who are perishing, but to us who are being saved it is the power of God.) and then got going. Several themes came out with one being, “the problem is not skin; the problem is sin”.

What I really related to was what he said was what the Walk to Emmaus is to do as far as helping us be better in our churches that we work in. His words, “Preaching is for everyone, teaching is for the saints.” Not everyone responds positively to preaching and changes their lives, but those whose foundation is in the WORD of GOD are always open to new teaching aimed at growing their faith. Sometimes we think that we should invite new Christians or even people who need “saving” to go on “the Walk to Emmaus”. But the walk is really for people already rooted in their spiritual journey who need more direction to be leaders in their respective church.

Waylon Ford has put out a request for sponsors to submit applications for pilgrims for this year’s Men’s Walk. We are down to 3 months and there are 0 applications submitted. Even in churches that have been worked over, there are members who would benefit from a Spirit boost. Sponsor them to become taught in a greater depth about their faith in Jesus and the preaching of the cross, which is the power of God.

Walk # 1832
April 7-10
2016

Howdy folks! February marks the 2 month mark before men's walk 1832, and as of the time I am writing this we have 0, zero, none, zilch confirmed pilgrims. I pray that by the time you receive this Breeze article, we will have many. We have one of the greatest communities in South Texas and I know we can all step up and get some pilgrims on this walk! It is up to YOU to find them. If you don't have anyone you would like to sponsor, talk/help somebody sponsor someone they are thinking of. God has big plans for the Windmill community, but they will only come together with our help. Remember, God has no hands, but ours. Please don't hesitate. I have a really strong team of good men and women who have already committed much time to the success of this walk. Please, do your part and let's make this walk happen! If nothing else, stop what you are doing (right now), bow your head (this will take 20 seconds) and ask God to bring us some pilgrims, and to guide His team. Thank you so much for the love and support I have received already, and thank you for getting out and helping all we can!

Walk #1856
October 6-9
2015

Howdy to ALL!!! I pray that everyone is being blessed beyond measures! As January comes to an end, it's a reminder that time is going by quickly! I am still in need of team applications. I know that God has control of Walk #1856 and He is forming another GREAT TEAM to serve these pilgrims! We go to team selection in early March. Team applications need to be turned in to me by MARCH 1st. I ask you to pray for this team and listen to God's "nudge" to serve.

If you need an application, please feel free to go online to

<http://www.windmillemmaus.org> . If you need me to mail you an application, please feel free to call or email me.

I also want to ask that you start considering sponsoring someone. If you have any pilgrims in mind for the walk, now is the time to start talking to them and getting their applications submitted. I know that God has plans for 36 amazing women to attend and be blessed to experience His Unconditional Love!

Hope to see you at the gathering!
