Hello Windmill Community!
We are coming off a great gathering at Karnes City UMC. We had a good turnout. Sorry some of you couldn't be there.

This month's gathering has changed to Beeville FUMC with a pot luck dinner. So bring your favorite dish and join us. There will be a lot going on. We will be electing four (4) new members to go on the Board. We will also have team Consecration for Walk #1832. Please come and be part of this along with the food, fellowship and worship. Men's Walk #1832 needs Pilgrims. If you know of someone in your family, church family or place of work and/or business that would be a good Pilgrim please pray about that person and talk to them about being a pilgrim.

We all have different spiritual gifts and work in various ministries in our respective churches. These gifts and ministries can help lead us to a pilgrim that God has already chosen for this walk.

The wind blows where it wishes, and you hear its sound, but you do not know where it comes from or where it goes. So it is with everyone who is born of the Spirit. John 3:8

On the 3rd Sunday in Lent (February 28) one of the readings in many of our churches will be from 1 Corinthians 10 and there is a phrase used too often as an adage with little respect for Paul's intention in that letter.

The one phrase is "God will never give you more than you can bear." Paul was writing to his collective friends about a singular need. He never expected us to "go it alone" when our individual suffering is more than one person can and should bear. The Christian community of one church or the Windmill 4th Day Group is available to be with us during our overwhelming suffering. And we often do this in lifting up friends, unnamed prayerWs, and supporting a family concern. We do it with our prayer list printed in the Breeze. We do it by reaching out on Facebook and other social media sites. All burdens of family are to be born together with a united front.

See DON page 2

DON continued from page 1

The first century Christians were good at community, sharing some things and needs in common. They were the Body of Christ together for the Body of believers. We need to reach out to each other in order to be able to endure the tests, tribulations, and trials of life.

We need to pray for that person and trust the Holy Spirit to lead us to them. We must have wisdom and courage to talk with them about the Emmaus Walk. Just remember how grateful you were to one that sponsored you.

“There are diversities of gifts, but the same Spirit. There are differences of ministries, but the same Lord. And there are diversities of activities, but it is the same God who works all in all”. [1 Corinthians 12:4-6](#)

See you all at the gatherings!

Walk # 1832
April 7-10
2016

We have completed three of our four meetings! We have heard some of the most amazing talks I may have ever heard for an Emmaus walk. We have an excited team, which is filled with the Holy Spirit. We are working hand-in-hand, and with your prayers prepare for the men's walk April 7 through the 10th. As of this writing, we have five confirmed pilgrims! Thank you Jesus! We need more. 31 more. Please pray for the pilgrims to come, please pray for all of the men and women on this team, and pray especially hard these next coming months. We all know how the devil likes to get into our lives as we get closer to working a walk. I am so excited, and cannot wait to see what God has in store for our weekend! If you have a pilgrim application, any agape including green Agape, or just want to let me know that you're praying for us, give me a call 361-319-4818.

Grace & Peace to ALL! As February comes to an end, it's a reminder that time is going by quickly! I am still in need of team applications. I know that God has control of Walk #1856 and He is forming another GREAT TEAM to serve these pilgrims! We go to team selection March 6th. Team applications need to be turned in to me by MARCH 1st. I ask you continue to pray for this team that God is putting together. If you need an application, please feel free to go online to <http://www.windmillemmaus.org>. You can email your application or mail it to me. I know I mentioned this last month, but I also want to ask that you start considering sponsoring someone. If you have any pilgrims in mind for the walk, now is the time to start talking to them and getting their applications submitted. I know that God has plans for 36 AMAZING women to attend and be blessed to experience this amazing walk with Him!

Hope to see you at the gathering.
