Hello Windmill Community!  
Once again we are coming off of another great walk a couple of weeks ago. You could tell that it was a great walk and that the Holy Spirit was at work by the testimonies of the women on closing. We need to thank God, the sponsors, team and all that gave agape and the prayer vigils. Now we need to pray and ask God for pilgrims for the upcoming men's walk. Start praying and giving thanks for the men's team and pilgrims now. In a couple of weeks we will be going to the table for a thanks giving meal. Let us focus on the things we rarely give thanks for. Thank Him for all the answered prayers as well as the unanswered ones. For all the ways he has worked through your life without you knowing it. Some of my prayer times I just give thanks for all sort of things and just rattle on giving thanks without asking for anything. Thank Him, regardless, and see what it does for your soul as you offer Him a heart of obedience and surrender this year.

The wind blows where it wishes, and you hear its sound, but you do not know where it comes from or where it goes. So it is with everyone who is born of the Spirit.

## **Seasons and Memories**

Ecclesiastes 3:1 (<sup>1</sup>For everything there is a season, and a time for every matter under heaven) is a familiar verse from Scripture and Baby Chicks just a couple of weeks off of their walk are thinking about the memories they hold dear of the mountaintops which are stronger than the valleys. Marilyn and I have likewise come off of a trip down memory lane that reminded us of the seasons and the memories we hold on to. A.C. Jones Senior, Keely Taylor, did a visit to my alma mater, Texas Lutheran University, last weekend. She is strongly leaning toward this as her university setting after graduating in May 2017. Her choice would put her in a freshman class 51 years after my graduation. While she was visiting and we went us to see a Women's soccer match, we took the time to go back to 1965 and our first

home, a garage apartment near downtown Seguin. That was the start of this portion of the Taylor family that Keely is a part of. We also got to remember more about this when we had one of those 3generation family suppers to celebrate her Dad's birthday. A question was asked, "What could you say about life at TLU that would close the deal for Keely to go there?" And that kicked off a lively discussion by Marilyn and I about what inspired up about life at that institution of higher learning. It

does each of us well to reflect on seasons of our lives and share memories and personal stories that bring family together. Now we are just getting old enough as I near my 72 birthday to share the reality of that 3<sup>rd</sup> chapter of Ecclesiastes. It is our story of faith, of family, and of being a part of the biggest community that we seek here on earth and await for our time of forever with those we love.

We love our nuclear family and we love being with our Emmaus family.

Thank you Community for your support. Team selection was on 9/18/2016 and it is looking like the making of the best walk ever! God did a wonderful job of bringing the people he wanted on the team for Walk #64. It is looking like our 1<sup>st</sup> team meeting will be December 17<sup>th</sup>. I will be letting the team know for sure soon, and where it will be held. Remember the team fees are \$228.00 and are due as soon as possible.

I ask the community to keep our hearts & ears open for pilgrims. As of today I have 2 confirmed, and I trust in the Lord to fill this walk with pilgrims. I thank the Lord for what has been done and will be done.

What can I say! Our God is such an awesome God! Walk to Emmaus #1856 has made history! It truly was the "Greatest Walk Ever"!!

We had 35 women that I truly believe were chosen by God. Just like He hand-picked the team to lead these pilgrims!! From what I have heard, they did feel the presence and love of our Lord, Jesus Christ!!! AMEN!!

I would also like to give a HUGE heartfelt "thank you" to all of the support we received from the Emmaus Windmill community!! From t-shirts, to meals provided, to bed agape, it was an amazing outpouring of love!! Please continue to pray with me, for these pilgrims, and for their fourth days to be led by the hand of God. The power of prayer is so GREAT!!!

Thank you Windmill Emmaus for giving me this opportunity to serve as Lay Director!

I have received an abundance of blessings being able to serve in this capacity! I will miss serving our Windmill Community, but know you all will be in our prayers and if there is anything we can do from afar, we are here!

De Colores!

Love & Peace,
