Lay Director**

I was happy to see everyone at the gathering in Beeville. The Men's walk was absolutely the best walk ever!! We had a very strong turnout at the Gathering in April and I would like to see an even better one for Three Rivers!!!

So come on out for the next gathering to welcome in the baby chicks in Three Rivers gathering on May, 16<sup>th</sup>, at Our Savior Lutheran Church of Three Rivers. And REMEMBER sponsors, please come on out with the new baby chicks and let's welcome them into our community!

The wind blows where it wishes, and you hear its sound, but you do not know where it comes from or where it goes. So it is with everyone who is born of the Spirit. John 3:8

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. If anyone speaks, they should do so as one who speaks the very words of God. If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ. To him be the glory and the power for ever and ever. Amen." 1 Peter 4:10-11 NIV

Grace and peace in the name of our Lord Jesus Christ!

Remember the three legged Emmaus stool with piety, study and service. Peter reminds us about the importance of service so that we can bring praise and glory to God.

I have heard people say time and time again, "that's not my gifts....it is not something I'm good at." Usually it's done when someone else asks if they want to serve in some bold way- like work the inside Emmaus team. The strength in the service is not in our gifts but rather what God can do with our yes, even in our weaknesses.

When I was in college I took interpersonal communications so that I wouldn't have to stand up in front of peers and give five short talks throughout the semester. God must have been laughing at my fear.

At some point I got the nudge from God to use gifts I didn't even realize I had in preaching. It was God who took my yes and has transformed it to bring the Lord glory.

Think about those places where God is nudging you to serve, those places God is nudging you to speak up, those things you could only do if you had the strength God provides.

As we live into our identity as Easter people remember God is sending us out to use our gifts.

Greeting and God's Blessings to all:

God Blessed Walk #68 with 21 pilgrims and for these pilgrims it was the BEST WALK EVER. The Holy Spirit was busy moving them by Friday night and the results were obvious on Sunday afternoon. For those who came to Candlelight or Closing, a heartfelt Thank You goes out to you.

Now is the time to re-energize OUR Emmaus community. Folks, it needs to start with you.

**Walk #69**  
**October 3-6, 2019**

Hello friends, as I write this we are going to Team Selection on Sunday for Walk 69. I have prayed and prayed that God would provide the team that He has chosen for this Walk. I admit that my human nature is to worry about how many apps that I have or have not received but then I feel His hands on my shoulders, I stop, get still and listen to Him remind me that I put this in His hands and He will provide the necessary elements to make this the "best Walk ever." I'm only interfering when I try to take over and fix it. Satan doesn't want God's people to draw closer to Him because that weakens his power, but our God will always give us the strength and courage we need or carry out His plan if we will apply ourselves to be a part of it.

I'm so very blessed to be a part of this with each of you! As we start serious preparations for this Walk, let's remember who we are doing this for – our reason for participating – the humbling honor to be a part of His Kingdom work. I'm praying that His will be done in every piece of this puzzle we are putting together; when we see the final completion of our work, we will realize that we have indeed been a part of something much bigger, more important and farther reaching than we ever imagined!
