The wind blows where it wishes, and you hear its sound, but you do not know where it comes from or where it goes. So it is with everyone who is born of the Spirit. John 3:8

Greetings Windmill Emmaus Brothers and Sisters:

I just wanted to tell you that I am drinking from my saucer because my cup is running over with many blessings! There are many things in my life that add to my blessings and participating in any Emmaus related activity greatly keeps my cup overflowing! If you missed the Gathering on Feb. 16, 2023 at Faith Lutheran Church in Beeville, we missed you very much and you missed a huge blessing of praising and worshipping our Lord and Savior and of fellowshiping with your Emmaus brothers and sisters. I will continue to encourage your participation in our monthly Gathering and I will continue to challenge you all to attend a Gathering soon.

In 1 Corinthians 12 : 12-31, the Bible refers to many members of the body making up the church and all having their own function. In the same way we have many members of Emmaus who make up our Emmaus Body and we all have a function using our many gifts and talents. Some of us serve in leadership positions, some of us serve on walks, some of us sponsors pilgrims (which we

I will pour out water on the thirsty land  
And streams on the dry ground;  
I will pour out My Spirit on your offspring  
And My blessing on your descendants.  
-Isaiah 44:3

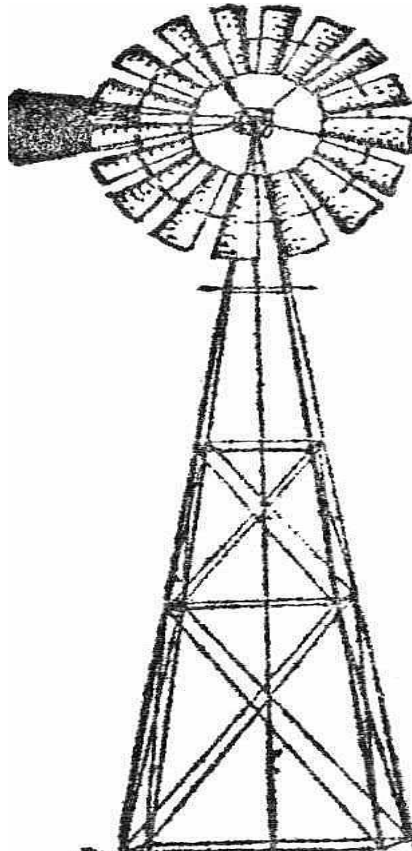

Grace and peace in the name of the Lord. When I think of the imagery Isaiah uses I think about my youth in Brownsville. There were huge rain drops, abundant rain - there were whole weeks rained out. So much rain that I would sing the chant, "Rain, rain go away. Come again another day." I sure the farmers of the area had a different chorus, "Praise god for the continuing rain"

Sometimes our Emmaus walks are like that deluge of water - overflowing, transformative. Certainly a means of grace that God uses in our lives.

For the springs of living water to reach our parched lives. We need more than a sudden inburst of water. We need continuing showers so the grounds of our lives become lush. That takes regular practices of faith.

Lent is the season of the 40 days

must have for the Walks to take place), some of us provide Agape, some of us sign up for the prayer vigil for a walk and I am sure that all of us pray for each walk! How will you use your gifts and talents to contribute to the success of the walks this year? You can also support the walks by your participation in Candlelight and Closing for each walk! Where will you serve? We cannot host a walk without each of our members doing their part! We need YOU all!

Windmill Emmaus is sponsoring two Walks in 2023: The Men's Walk # 74 on April 27-30, 2023 and The Women's Walk #75 on Oct. 5-8, 2023. The Men's Walk #74 is still in need of pilgrims and the Women's Walk #75 is still in need of team members and pilgrims. These walks are not complete without everyone's help! Please reach out to our two Lay Director's Richard Webb and Leanne Fox and turn in those team and pilgrim applications as soon as possible. If you are sponsoring a pilgrim, please remember to give yourself adequate time to gather letters for your pilgrim!

We hope to see you at the next Gathering on March 16, 2023 at the United Methodist Church in George West. I know it will be a blessing to me and it will add to my overflowing cup!

De Colores, my friends!

not including Sundays. This is the perfect time to pick up practice of study, action and piety. Find a way to engage the practices that will water your soul. Even better, find the practices that will help water someone else's soul.

We really need your help on the prayer vigil for the men's walk in April. You can sign up at <https://bit.ly/windmillprayer74> or by emailing me at [azermeno@riotx.org](mailto:azermeno@riotx.org) or 512-566-2570.

My prayer is that your lives would have sprinklers of living water spreading that water to those around.

Times starting to creep on us. Just last week it seems we were picking a team for Walk 74. And now we are approaching the walk date. Three team meetings are done with one final meeting to finalize the prep. Thank you to Faith Lutheran for a wonderful Gathering. It was a great time of fellowship and worship. I received confirmation on the scholarship request and processed several more applications. Our count is now at 11 and rising. I'm excited knowing that God is in total control, and I just get to sit back and let him handle the reins. It seems that every time I try to drive, I screw up, so I am getting out of the way and letting him handle it. About ten more weeks and then it's Gods time to show out. One more meeting in April where we will finalize our talks and trailer prep by the outside team. So, it's hurry up and wait time.

Let's fill those other pilgrim slots and make this the best walk ever.

Happy March!!

March is my birthday month and as I ponder the last year and the year before me, I can see God's hand at work in my life. From changing jobs, taking care of my mom, accepting the call to be Lay Director of Walk #75, God has been at work and there through all of the uncertainty. Maybe you hear God's voice or feel the tug to serve on Walk #75. I'm still in need of team applications before we go to team selection on March 26th. I'm excited to see who God has picked for the Best Walk Ever!

If you need an application, I'll get one to you.
