Then he took the twelve aside and said to them, "See, we are going up to Jerusalem, and everything that is written about the Son of Man by the prophets will be accomplished. Luke 18:31

Grace and peace in the name of our Lord Jesus Christ!

This verse from Luke show what road tripping with Jesus was like. Jesus pulled his disciples aside and started preparing for what was going to happen. They were going to Jerusalem and God would be there.

My parents love road trips. There was one summer where we visited 17 states, in two and a half weeks. We would talk about the trip's weeks, if not months before hand. In those conversations we talked about where we would go what we would see. We even talked about how we would fill that time in the car. One thing we never talked about was God. Those were our Sundays off of church.

Growth Through Piety

How fast do you read
scripture? Does God speak to
you through scripture? Are
YOU slowed down enough to
listen? Take a moment during
some of these hot summer

As I read this scripture, I'm struck by the idea that where we are going God is accomplishing something. I invite you to look for what God is up to this summer whether you are traveling or staying home. God is on the move. God is getting things done.

If your traveling, make time for God. Plan for God. Visit a church or use time in the car to have conversations about God. Share your stories about finding God this summer with the Windmill Emmaus community through our Facebook page. Tell us what you liked about a church you visited, give us a picture of God in unexpected places, or tell us about someone you met along the way.

Whatever the summer holds for you, I pray that you go with God, Godspeed, beloved.

You may not know but Danny and I have taken over doing the newsletter. I have created an email just for the newsletter which is: emmausbreeze@gmail.com. I apologize for this being another 2-month newsletter, but I am working to revamp the newsletter so be looking for the changes in August. If you have anything you want to submit for the newsletter, please send it to me. I will also try and have printed copies at the gatherings to take to people who may not be receiving them. We have also taken over the prayer chain. We are working on updating the addresses so if yours has changed please let us know.

Walk # 69
October 3-6, 2019

As I write this, we have had our first team meeting and are preparing for our 2nd team meeting this weekend. Let me just say “WOW” – God has put an awesome team together to serve on Walk 69. I’m so excited to be a part of this group! Please continue praying for each of us as we continue to prepare for the “Best Walk” ever.

Pilgrim applications are available on our website – so you can access and print them anytime. You can email the completed forms to me at kmylnar@yahoo.com or physically mail them to Windmill Emmaus, P. O. Box 26, Beeville, 78104.

Satan has already tried to interfere, but our God is stronger than anything “Old Smutty Face” could throw at us! We are focused on keeping our hearts and minds on serving God first and then the Pilgrims He is preparing for this Walk.
