The wind blows where it wishes, and you hear its sound, but you do not know where it comes from or where it goes. So it is with everyone who is born of the Spirit. John 3:8

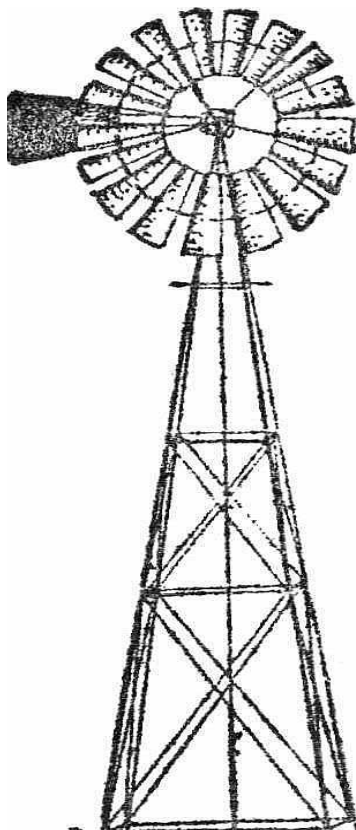

It's Finally Here

2 Thessalonians 1:4

Therefore, among God's churches we boast about your perseverance and faith in all the persecutions and trials you are enduring.

It's here. It's here. The Walk is finally here. April 15th- 18th. We have had to wait for a whole year but we are finally going to be able to hold Walk #70. Please pray for the Walk and Pilgrims. We have had to have faith during this pandemic and persevere. The power of prayer will be needed all weekend. Jesus tells us to pray, pray without ceasing. That will be even more important that weekend.

If you are sponsoring a pilgrim, coming to candlelight or closing, please understand that your arrival at Zephyr will be a little different. We must comply with Zephyr's rules and document a temperature on everyone who enters the property. Things will look a little different, but are going to make this the Best and Safest Walk Ever for the pilgrims that God has chosen.

Grace and peace in the name of our Lord and savior Jesus Christ.

As we go into Holy Week and the days beyond this month there is this overwhelming sense of uncertainty. Will dormant things begin to thrive again? Will walk #70 truly be the best walk ever? What will our fourth days look like? I go back to the disciples gathered in the upper room. As they were gathered with Jesus they saw what servant leadership looks like. Jesus tied a towel around his waist and washed the disciples' road-worn, dusty, calloused, tired feet. They were surprised that Jesus would lower himself to service. Jesus taught that service was the path of love.

If you are bringing a food agape, please try, if possible, to have it in single serving portions. We will not be serving a buffet style snack table but instead will be single serving snacks. We will still provide ample snacks but just served a little different. I know that there are still those who are concerned about the pandemic, and we respect that, but please look into your hearts and come support our new pilgrims. Think back to your walk, think back to how you felt walking through those doors to see a room full of people holding candles in your honor. Only you can bring that joy to our new Brothers in Christ. I hope to see a room full of Emmaus Prayer Warriors at Candlelight on Saturday April 17th. [2 Thessalonians 3:5](#) May the Lord direct your hearts into God's love and Christ's perseverance.

The disciples found that the road they were about to embrace was rougher and rockier than any they had been on before. They found the way to travel that road because God becomes their Rock. Jesus shows them the path of love. The Spirit fills the hearts of the faithful with the power of God's love.

As we go into Easter this is the gift of the resurrection available to each of us.
Rock on in God's Grace!

Walk # 71
October 2021

Greetings to all my Emmaus Brothers and Sisters:

Since my last article we have experienced the first day of Spring with the growth of new plants and the birth of baby animals and now Easter with our risen Lord and Savior. This makes me think of new beginnings! New beginnings can take many forms: a new year, a new job, moving to a new city, or beginning a new relationship, to name a few. A new beginning could also be experienced by entering a new phase of life with a new outlook or belief, like becoming a Christian or even rededicating your life to Christ. Sometimes these new beginnings are chosen by us and sometimes they happen to us because of circumstances beyond our individual control. Either way we come by these new beginnings, we need to seek God's word for strength and support as we embark on these new beginnings.

In I Peter 1:3 Peter writes, "Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead". Hallelujah! In 2 Corinthians 5:17. It is written, Therefore, if anyone is in Christ, the new creation has come. The old has gone, and the new is here!

Walk #70

April, 2021

Hello Windmill Emmaus,

The information below in italics was from one year ago!

I hope this finds each of you well in the offset of this pandemic known as Corona Virus. Isaiah 41:10 proclaims, "Fear not, for I am with you; do not be dismayed. I am your God. I will strengthen you; I will help you; I will uphold you with my victorious right hand." May he keep and bless each of you.

Walk to Emmaus #70 has been officially postponed. The walk has been rescheduled to August 20-23, 2020. This has several implications. First, the meeting scheduled for Holy weekend has been postponed to a later date. Second, Outside team, I will need your help again when we reschedule this meeting (i.e. date change on materials, etc.). Third, pushing this meeting back will conflict with Men's Walk #72 in which we will have to adjust accordingly. Lastly, we are still in need of pilgrims. I currently have 13 applications in my hands.

I want to thank each of you that have worked on this walk. Blessings have been showered down upon me and hopefully each of you. Please keep in mind that we are serving him through our Love. Keep this team and the pilgrims in your prayers as we go through changes.

Well change is inevitable, and we experienced a lot this year! Man plans, God laughs! In the midst of all the uncertainty, this has been a journey unlike any I have ever experienced as many of you have experienced the same over the last year. I have planned, adapted, changed, provided, overcome and persevered. But God says, "Fear not, for I am with you!" He has been with each of us over the last year!

Some of the pilgrims are set and ready! Some are still needed! We are currently at 17 as I write this! I know God has a plan for this walk. He will work through each of us to provide an experience for each of the pilgrims that have been called to attend. He will provide the "Best Walk Ever" for those Men! Don't forget, Candlelight is Saturday night, make plans to grace these men with your presence, prayers and love!

Lastly, it has been an honor to have been chosen as the Lay Director for Windmill Emmaus Walk # 70. As this will be my last article in this capacity, I would like to ask each of you for prayers, continued agape love and a spirit of Brotherhood and cooperation on April 15-18, 2021. May the Lord Bless and Keep You, May His face shine down upon You!

God allows us to have new beginnings all the time and even many times during each day. If we fall short on any given day, all we need to do is pray and ask God for forgiveness and he will give us a fresh start. During this entire year of the Pandemic craziness, we have had to cancel many Emmaus events and have now started increasing these events slowly, but with limited attendance. Now is the time to get involved again! God is giving us a fresh start with the Emmaus Men's Walk just two short weeks from today. Lord, please allow us to be your humble servants and to show every pilgrim, whom you have called to this walk, your Agape love by serving as your hands and feet this weekend.

Please pray and decide how you will be part of Walk #70 and help us show this agape love to everyone. You can pray, work, sponsor a pilgrim, donate food and drinks, make bed agape, let us use your golf carts and gators, attend Candlelight, and attend Closing, to name a few ways you can be involved! We need everyone in our Emmaus Community to help in any way that you can to make this the Best Walk Ever and bring Glory to God! I pray blessings over each one of you today and always!
