Hello to all my brothers and sisters in Christ!
 It has been a very busy summer for me and my family. Moving my college daughter back home, the birth of my grandson, family vacation, my mom's wedding, moving my daughter back to college, a few birthday celebrations...this summer has been filled with many blessings and I am so grateful!! And I can't forget to mention the blessing of all the rain we have been receiving—it's wonderful to see everything so green again!! God is good...all the time!
Give thanks to the Lord, for He is good. His love endures forever. - Psalms 136:1 My love for music has me thanking God every morning with a song. Thank you by Ben Rector – it's a great, upbeat song that is simply thanking God for being so good. We have so much to be thankful for, even when we are going through difficult times. Maybe I should say especially when we are going through difficult times. When times are good, it is easy to thank God. When times are hard, it may be a little more difficult to be thankful. But these are the times we need to draw even closer to God. *He will cover you with his feathers, and under his wings you will find refuge; his faithfulness will be your shield and rampart. -Psalms 91:4* This world is full of heartache and pain,

The wind blows where it wishes, and you hear its sound, but you do not know where it comes from or where it goes. So it is with everyone who is born of the Spirit. John 3:8

Grace and peace in the name of our Lord Jesus Christ.

"I always thank my God as I remember you in my prayers, because I hear about your love for all his holy people and your faith in the Lord Jesus. I pray that your partnership with us in the faith may be effective in deepening your understanding of every good thing we share for the sake of Christ. Your love has given me great joy and encouragement, because you, brother, have refreshed the hearts of the Lord's people." Philemon 1:4-7

Kairos Outside is an Emmaus type walk for women whose lives are impacted by incarceration. I was recently at the closing ceremony for the walk for 12 guests. The weekend, similar to Emmaus, was possible because many people sacrificed their time, talents, witness, and resources.

The hope is that this effort and partnership would be effective in deepening their understanding of every good thing we share for the sake of Christ. Many of the women's hearts were refreshed as they shared what they were feeling at the end of the weekend.

That type of partnership is evident throughout the Emmaus walks as we

but God promises to be faithful and comforts us through these times. He is with you always and He is always good. Psalm 90 has been on my mind quite a bit lately. This Psalm holds such deep meaning. He is our dwelling place, our shelter, our hiding place, our safe place. We are humans and we get so busy with this life here on earth. We may find ourselves wanting what others have instead of being satisfied with what God has provided for us. We may find ourselves worrying about what others think of us instead of being satisfied with what God thinks of us. We may find ourselves trying to fight our own battles instead of letting God fight them for us. The list goes on and on. We tend to forget His love and faithfulness towards us. He is all we need. My prayer is for God to satisfy me with His love...to pour His love into me and fill my heart, so that I may be satisfied with His love alone. And I pray the same for each one of you. [Satisfy us in the morning with your unfailing love, that we may sing for joy and be glad all our days.](#) -

The next gathering will be Thursday, September 15th at the United Methodist Church in Pettus. Fellowship begins at 6:30pm and worship begins at 7:30pm. We will have team consecration for Walk #73 so please come out and pray for these servants. I look forward to seeing you all there!

The Lord bless you and keep you; The Lord make his face shine upon you and be gracious to you; the Lord turn his face toward you and give you peace. -Numbers 6:24-26

share that agape love with others it deepens our own faith. Think about all of the details of agape love that are evident throughout the walk. The ways that pilgrims are surrounded in prayer, nourished in body and soul, and reminded of hope, joy and peace are all a part of the doing good that we do.

As we get into the final stretches of the women's walk and go into team selection for the men's walk we need you to partner with what God is doing.

Ask a friend to join you back to back on the prayer vigil. Find a need still on the agape list. Share your witness of what the walk meant to you with a friend or coworker. Fill out a team application. Come to the gathering Thursday September 15 in Pettus, and help pray over the team. Show up for candlelight or closing.

Think of ways that you are partnering with God. May your acts of service and love bring you joy and refresh your heart.

Christ is counting on you!

Ever have one of those songs that come along and sticks in your head? Our God is an awesome God, ... I look around and see his works in everything around. I often sit on the patio in the morning, drinking that first cup, watching Cody, I look up, on those clear mornings and see the stars and the planets, and think, My God is an awesome God!

Thank God for the beautiful Rain!!!

Time seems to just fly away someday. We are nearly there for team selection. As of right now I am still accepting applications for both inside and outside team members. We will take the names to team selection on Sunday September 18. God has assured me that he has the team already selected. If you feel the calling to work that team, answer God's calling by submitting your application.

Walk 73 is just over the horizon and then we will take away the chocks from the wheels and start the steam roller going for 74.

I've had several people tell me they have pilgrims' applications ready to turn in. That really gets me excited to know that God is starting to pick the pilgrims!!

God is good. All the time. God is good. "Follow me, and I will make you fishers of Men!!"

Greetings and blessings to you guys. It is very hard to believe that summer is over and we are less than one month away from walk number 73. Also known as the greatest walk ever. I am very blessed to be able to tell you guys that we are Well on the way to having a full walk! The community has rallied already bringing Pilgrims and agape and prayers and love and it is truly humbling just to be a part of it and watch it all come together. I have no doubt that God is absolutely driving all of this and will continue to be with us every step of the way until we leave there when the walk is over that bright Sunday evening. As we prepare for our final team meeting the team and I ask that you continue to pray for us, as well as the 36 Pilgrims that we just know God is sending our way. I am so thankful for the dedicated servants that God has sent to form this team and remain confident that we will all be used for HIS purpose on this weekend, and in HIS time. Thank you again for your prayers and support- can't wait to see all of your faces at candlelight, and in the coming days!
