

The Windmill's Breeze

Volume 31 Number 7 Windmill Fourth Day Group

July 2021

Community Lay Director

The wind blows where it wishes, and you hear its sound, but you do not know where it comes from or where it goes. So it is with everyone who is born of the Spirit. John 3:8

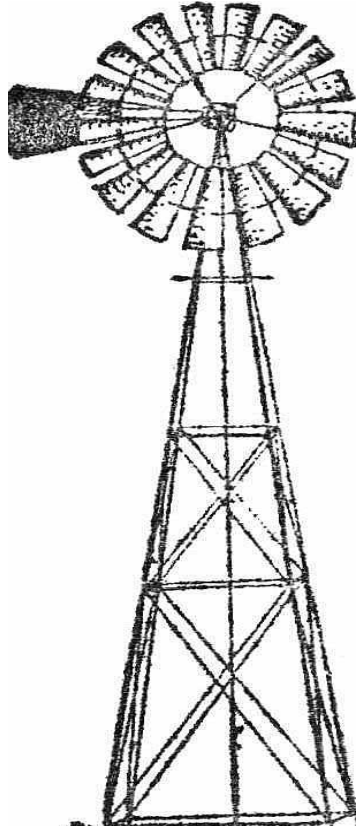

3 John 1:1-8 NIV

1 The elder, To my dear friend Gaius, whom I love in the truth.

2 Dear friend, I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along well. 3 It gave me great joy when some believers came and testified about your faithfulness to the truth, telling how you continue to walk in it. 4 I have no greater joy than to hear that my children are walking in the truth.

5 Dear friend, you are faithful in what you are doing for the brothers and sisters, ^{even} though they are strangers to you. 6 They have told the church about your love. Please send them on their way in a manner that honors God. 7 It was for the sake of the Name that they went out, receiving no help from the pagans. 8 We ought therefore to show hospitality to such people so that we may work together for the truth.

Grace and peace in the name of our Lord Jesus Christ.

“For this reason I remind you to fan into flame the gift of God, which is in you through the laying on of my hands. For the Spirit God gave us does not make us timid, but gives us power, love and self-discipline.” 2 Timothy 1:6-7

Summer time is a wonderful time for camp fires. I think about a spark that is becoming a flame. Kindling, and fanning the flame help it to grow. But then it needs work to keep the fire going. It needs to have dry wood added at just the right time, a ready supply of oxygen.

Paul uses the imagery of a flame in his letter to Timothy as a way to encourage. Our spiritual lives need tending to just like the fire. What would our summer plans and projects look like if they included some special things to fan the flames so that we can experience anew God's power, love and self-discipline?

As most of you know, my family had a scare last month. We know that God places trials in our lives and this event was no different. As it played out, decisions were made and things came together that can only be described as blessings. The decision about the right facility, arriving exactly as the doctor was finishing another patient, and a caring/ godly staff who provided exemplary care.

At the end of the stay, we were introduced to a nurse who wanted Tricia to participate in a trial study. Long story short, Tricia was not able to participate in the study but we were able to minister to the nurse whose daughter is having some serious health/ mental health issues. We truly believe that God placed us there for a reason. She was struggling as a mother and questioning her faith as a Christian. Our office visit was just over 2 hours that morning with the majority of the visit spent in ministry with Holly.

It is amazing that an event that started with terror and fear would lead to God using us as Ministers of his word. We were able to minister to a child of God who needed some support while our Emmaus Community ministered to us through all of the prayers, notes, phone calls and messages.

God Bless and De Colores!!!

Greetings Windmill Emmaus Community,

Tick Tock, Tick Tock, Tick Tock. This summer is flying by and team selection is coming up quickly. July 18th will be the day for team selection for Men's Walk #72. I'm still looking for a few good men and women to fill the inside and outside teams!!! I must have your application in prior to team selection. I'll be able to take them at the next gathering.

Not much has changed with pilgrims. I still have the same 3 from last month and hope to get a few more after team selection. This is a community wide effort in filling these walks. If you know someone, just ask. I've asked people for years and some have gone. Others tell me not this year, maybe next. We still have to ask. Again, we are now 1/12 of the way to filling Walk #72!!!

Please feel free to contact me 210-286-5345, chris Carter72@hotmail.com or for mailing info, Chris Carter 1088 FM 99, Karnes City, TX 78118. See y'all at the next gathering!!!

Greetings Emmaus Brothers and Sisters:

It was so great to see everyone at the Gathering in June at Karnes City UMC. If you missed it, you missed a **Big Blessing!** Please make plans to join us on Thurs., July 15th at UMC – Three Rivers for our next Gathering which I can guarantee will be another **Big Blessing.**

We had an awesome first (second time – repeat because of COVID) team meeting! We listened to four awesome talks by four awesome speakers! I look forward to meeting with the inside team again for our second team meeting on July 17th at UMC in George West. We will listen to four more awesome talks given by four more awesome team members.

For Walk #71, I chose one of my favorite Bible Verses, 2nd Corinthians 5:7, "Walk by Faith, Not by Sight". Last week, I was honored to attend the funeral of the mother of one of my former co-workers. The officiating pastor did an awesome job of boldly sharing the Gospel. He said something so simple, yet profound. He said, "When we get to Heaven, we get to see our Faith!" That statement has given me a new outlook on the Bible verse I chose! Think about that statement and pray about that statement and have renewed hope that we do indeed get to see our Faith in person, in the Glory of God for all eternity!

Currently, I have SEVEN pilgrim applications in my hands and many, many more in the works! I am still praying for a full walk because I know with all my heart that there are EVEN more than 36 women out there who need to feel God's love for 72 hours to make a grand difference in their lives and in their walk with the Lord! Please pray about sponsoring someone you love who would truly benefit from the Walk to Emmaus experience as much as you and I did!

I hope and pray you all have an awesome 4th of July celebration with your family and friends. Have fun, but be very safe! Every one of you are very precious to me!
