

# The Windmill's Breeze

Volume 31 Number 11

Windmill Fourth Day Group

November 2021

**Community Lay Director**

The wind blows where it wishes, and you hear its sound, but you do not know where it comes from or where it goes. So it is with everyone who is born of the Spirit. John 3:8

## **Discriminating**

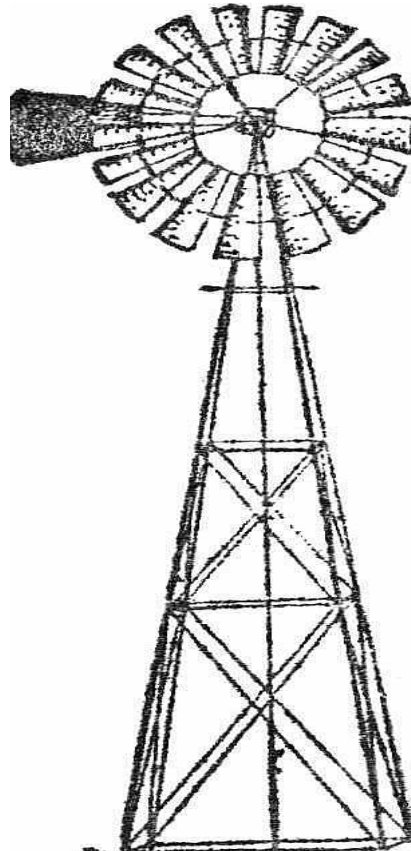

[Galatians 3:28](#)

There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus.

It is sad that in this day and time, we still have people who tend to look down on their fellow Christian. They have not realized that we are all one in Christ Jesus. When someone makes a point to visit with everyone present except one family. They look right at them and pass them by in God's House. They have not realized that we are all one in Christ Jesus. When a family is constantly excluded from Church committees by the leaders of these committees. They have not realized that we are all one in Christ Jesus. When people are looked upon differently due to the color of their skin, their social status, their financial status or even the way that they dress, then we have not realized that we are all one in Christ Jesus.

The bible tells us in [Matthew 7](#) "Do not judge, or you too will be judged. For in the same way you judge **others**, you will be judged, and with the measure you use, it will be measured to you. "Why do you look at the speck of sawdust in your brother's eye and pay no attention to the plank in your own eye?"

## **Thanksgiving**

Loving God, our elusive yet all-sustaining Friend, in spite of the negative doubters around us, we dare to celebrate your glorious Presence!

In this post-modern world where the illusion of your absence is felt keenly by numerous souls, we thank you for your gifts that break through to nurture us.

We give thanks for the accumulated sanity of the Holy Scriptures through which you speak to us even when our hearts feel cold.

We give thanks for the caring communities of your holy church where you are present with encouragement and profound healing.

We give thanks for those special, holy times when for a few seconds or hours this world's shrouds split open and we glimpse your glory.

Most of all we give thanks for the gift of Christ Jesus who makes himself known in the breaking of bread to all who keep the trust.

Loving Lord, elusive but faithful Friend, in spite of our scrappy faith and love, we dare to celebrate your glorious Presence!

Hallelujah! — Bruce Prewer

And in [Luke 6:37](#) "Do not judge, and you will not be judged. Do not condemn, and you will not be condemned. Forgive, and you will be forgiven.

The news and social media are full of stories of people being discriminated against. The question is "Why"? Please take a minute to look in the mirror and ask yourself "Do I treat everyone the same"? And then answer honestly. I know that I have a few people who I need to ask for forgiveness.

**April 2022**

Greetings Windmill Emmaus Community,

Time is moving right along. Thank you to all that came out and were involved in any way during the Women's walk earlier last month. October flew by and we are now in November and ready for our first meeting. We will have our first team meeting on November 20<sup>th</sup> at Beeville FUMC. This meeting is for both inside and outside teams.

Nothing new to report as far as pilgrims go. We are still sitting at 5 pilgrims. Those other 31 guys are out there and are ready. We just need to find them!!! Please spread the word and ask around.

The scripture/theme for Walk #72 is taken from Ephesians 6:11—Put on the full armor of God, so that you can take your stand against the devil's schemes.

Please feel free to contact me 210-286-5345, [chriscarter72@hotmail.com](mailto:chriscarter72@hotmail.com) or for mailing info, Chris Carter 1088 FM 99, Karnes City, TX 78118. See y'all at the November gathering in Karnes City!!!

De Colores,

Chris Carter

**Please bear with me. This writing may not be very Scriptural, but it is from my heart!**

What a Blessing! What a wild ride! Being named the Lay Director for Walk #71 in November 2019 was a dream come true. I was so honored and blessed. I remember my BFF, Marla Scott, telling me that I did not need to change or to get a big head over this honor. I took that advice to heart and I have never, nor will I ever refer to Walk #71 as "my walk"! It was "God's Walk" and He just let me lead it and He let all of "our team" work it and be blessed by it, also.

None of us would have ever imagined that right in the middle of our first team meeting that the entire event scheduled for Oct. 2020 would be postponed for an entire year due to the pandemic commonly known as Covid 19, but it was. I immediately sent out a letter to our team asking if they would be willing to stay on our team. Much to my delight most of them continued on with their previous commitment. We even had two team members get off the team for surgery and have enough time to recover and get back on the team in time for our first meeting in 2021. Another blessing from God.

I thank God for letting me write 24 Breeze articles. What a platform to share my faith with others. I am a little sad that this article brings that platform to a close. My faith has been strengthened by watching God work through our team and through the entire Windmill Emmaus Community as we all waited for this time to pass. I really think not being able to hold team meetings, host walks, or even participate in Emmaus Gatherings gave us all a yearning to do all three. I believe we came back even stronger in our commitments to bring God's blessings of Agape Love to all the pilgrims that He entrusted to us.

About 15 days before the Walk was supposed to happen, we actually had 34 pilgrims signed up. I remember telling God Wow! Even during a pandemic, you are bringing in a full walk. Then it seemed like the pilgrims began dropping like flies for so many, many different reasons. I have to admit that I was getting a little frustrated and even a tad depressed.

I had to remember something from my coaching days when two of our star athletes were injured. I had to remember that you go forward with your high expectations and you allow your other team members to shine. I know God brought the perfect number of 24 pilgrims to the walk at 6:30 p.m. on Oct. 7, 2021.

Our six tables were able to spread out a little and the four pilgrims were able to bond more quickly with all of our Table Leaders and Assistant Table Leaders and with each other. Once those 72 hours finally began after a two- year anticipated wait, they went by very quickly. It is just amazing how it all comes to pass and then it is over! I will tell you that serving as a Lay Director has been and will continue to be a highlight of my life. It is right up there with the births of all of “my great” nieces and nephews, obtaining my Doctorate, and serving in ministry for the last seven years.

I know I shared this information at the Gathering in October and on my Facebook post, but everyone was not in attendance and everyone does not read Facebook, so I will share it again in hopes of reaching more of our Windmill Emmaus Community! I truly believe that God’s Walk #71 had the Best Spiritual Director and the Best four Assistant Spiritual Directors. We had the Best “silent” Board Rep. We had the Best Praise Team. We had the Best three Assistant Lay Director’s. We had the Best Tech person. We had the Best Table Leaders and Assistant Table Leaders. We had the Best Outside Team Coordinator and the Best Outside Team. We had the Best 24 pilgrims! Last, but certainly, not least we had the Best Windmill Emmaus Community praying for us, supporting us, and providing so much love to our pilgrims and to us as a team. I know that God is looking down on our Walk #71 Team and our entire Windmill Emmaus Community and saying these words, “Well Done My Good and Faithful Servants”. Matthew 25:23

Many of you already know that as of Dec. 31, 2021 that I am moving back to my hometown of Elgin, TX., due to my financial situation changing drastically. Also, I want you all to know that I still have a bad case of “Emmaus Fever” and I will continue to let my light shine. I plan to continue to attend Windmill Emmaus Gatherings every month and I will continue to work walks if and when I am chosen until I am no longer physically able to do so or until God calls me home.

I consider myself very blessed because I have all of you as my dear brothers and sisters in Christ! My life is much better having each of you in it!

Many Blessings! Much Love! De Colores!
