February is always a special month for me because of the Windmill Emmaus Community's involvement in the Walk to Siloam, which is the walk for men who are homeless or perhaps have fallen on hard times. Hebrews 12:1 is one of my favorite scriptures. It says "Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us." The great cloud of witnesses in Hebrews is talking about the men and women from the Old Testament, but the great cloud of witnesses reminds me of our amazing Windmill Community. The men who work the team, those who also support the walk with gifts of agape, food, green agape, and most importantly, our prayers for the pilgrims and team. I find my great cloud of witnesses in our Emmaus Community, in my family and friends, in my church, my neighborhood, at work, and many other places. I think God has tried to make me aware of this so that I can try to "run with perseverance the race marked out for" me. I certainly can't do it without prayers and support. In conclusion, I want to thank each

Let the Waters Flow

"Jesus stood and cried out, 'If anyone is thirsty, let him come to Me and drink. He who believes in Me, as the Scripture said, "From his innermost being will flow rivers of living water." But this He spoke of the Spirit, whom those who believed in Him were to receive; for the Spirit was not yet given, because Jesus was not yet glorified" (John 7:37-39).

We know God wants Christians to grow. Spiritual growth takes place deep down inside us. It comes from the Holy Spirit, whose job is to make the "waters flow." However, most Christians have a home improvement mentality, where we depend on ourselves to produce the development we know we ought to have. But if we could do it ourselves, we wouldn't need the Holy Spirit. The assumption of the work of the Holy Spirit is that we can't do it ourselves. Just as air enables a horn to make a sound, or wind enables a sailboat to move, the Holy Spirit enables the spiritual life to work.

Many Christians do not realize what they have within them. If we were riding on a bus and it broke down, we would all look pretty foolish if we got out to push the

bus while Clark Kent (Super Man) was sitting inside it. Christians tend to want to grow themselves to spiritual progress. We row and row until we are so tired that we want to give up. But God wants us to use the speedboat with the motor, and He provides it for us. Embrace the Gift of the Holy Spirit which was given to you when you accepted Jesus as your Savior. LET THE WATERS FLOW!

and every one of you for being a witness to me and to one another. Our events; gatherings, candle lights, closings, sponsor's hour, each time we meet we have the awesome opportunity to be Christ to each other. Again, thank you for reminding me of the tremendous love of God.
