Lay Director**

Have you every noticed how certain people can light up a room, or bring a change to your day by their smile, a hug, or even just their voice? There are those whose very presence display an awesome feeling of the Holy Spirit. I believe I'm blessed to know so many people like this, but a few really stand out.

After my walk (a long time ago) I prayed every morning for someone to see Christ in me. Trust me, I know there are many days, and probably many times a day, that others can't see Him in me. I definitely mess things up my fair share of the time, but I continue to pray that someone, somewhere can tell not "who I am, but whose I am". I challenge everyone to look around and see who those people are in your life that radiate that light of Christ, that feeling of the Holy Spirit. And remember that others are looking for that Christ-light in you. We are so blessed that our Windmill Community brings us together for events where it's easy to shine our lights, but the hard and most important part is taking that light back out into the world. Remember 2 Corinthians 5:20 says, "we are therefore Christ's ambassadors, as though God were making his appeal through us. We implore you on Christ's behalf: Be reconciled to God." *Continued on next page...*

The wind blows where it wishes, and you hear its sound, but you do not know where it comes from or where it goes. So it is with everyone who is born of the Spirit. John 3:8

Who Am I?

I am a daughter of the most High King of Kings and ranchers. I am a preacher and a student of The Word. I am follower of Jesus Christ and a stumbling forgiven sinner. I am living to be who God has called me to be in His world and of His Kingdom. As the newly elected Spiritual Director of the Windmill Emmaus Community, I was caught wondering who knew me. More importantly, who was wondering who that short, loud gray-haired lady at the Karnes City gathering was. So, this inaugural article is aimed at clearing that up for those who do not know me. I am a child of God born into a ranching family. I was raised in Live Oak County and returned to teach school for 28 years. I used my coaching experience to take on pastoring Pawnee Methodist Church after retiring from Three Rivers ISD. As far as in the Emmaus community I worked my way up from "angel" to Lay Director as well as being a Board Rep and serving on the Windmill Board for several years. BUT GOD! Now I have joined the clergy team serving on two men's walks as well as accepting the amazing position of Spiritual Director of Women's Walk 79 and humbly serving as Community Spiritual Director. These highlights are shared only to *Continued on next page...*

express my humble honor and blessing at the moments God has given me to live in His world to the glory of His Kingdom. I pray that each of us stops to answer, "Who Am I?". I believe it is important on our walk in the Light of God's grace and mercy. If we do not ever look to see who we are, how do we avoid falling into the world's view of us? Answering the question honestly in the Light of God's power is not sounding our own trumpet but lifting our blessings and thanksgiving to God—it's being an example to others that a country kid—an ex-coach—an ordinary person that stumbles and falls is loved, blessed, and used by God. May each of us evaluate our Walk with God not to glorify ourselves but to bring Glory to God for the Great Things He Hath Done! DeColores!

By the time we have our next monthly gathering, the Men's Walk #78 will have afforded us several opportunities; sponsor's hour, candlelight, and closing, to be the light for the team and pilgrims of the Walk #78. Come join us and let us be His ambassadors together as the Body of Christ.

De Colores!

What a blessing it is to serve as your Lay Director for the upcoming men's walk #78! The team has been consecrated and now we prepare and wait for GOD's Pilgrims and the wonderful morning of April 3 rd when lives will be changed, and HIS glory will shine!

The past several months has taught me many lessons, mainly that I procrastinate, thinking I'll have enough time to do it later instead of right now. GOD's really been working on me on that subject. Making lists and taking notes have never been my long suit.

As we enter the home stretch for the Walk, please be in prayer for all of the folks in our community and especially our Pilgrims. Pray also for their families and people that are in their circle of influence to see the wonderful heart change that we are certain will take place during these 72 hours.

We look forward to seeing you ALL at candlelight on the 5 th ...

Blessings,
Jim

Hello Emmaus Community,

As I prepare for Women's Walk #79, I've been reflecting on how truly special this Community is. The love, the service, the fellowship-it's all a beautiful reminder of Christ working through His people.

Thank you to everyone who continues to serve so selflessly. Whether you're offering a prayer, preparing a meal, leading music, or simply showing up with a willing heart-you make a difference.

To the new members from Men's Walk #78-welcome! If you have a wife, sister, girlfriend, or special woman in your life who would be blessed by the Emmaus experience, please consider sponsoring her for Women's Walk #79, October 2-5, 2025. Pilgrim applications were included in your closing folder. You can email completed forms to me at ginas_sparitual@yahoo.com or bring them to an upcoming Gathering.

A special thank you to everyone who turned in Team applications-many of you could have chosen to sit this one out, and some are even missing important events to serve. That kind of love is what makes the Emmaus experience so powerful.

We're also so grateful for our hosting churches-thank you for opening your doors, preparing meals, offering music, and supporting team meetings. Your generosity is a blessing to us all.

Let's keep saying "yes" to being the hands and feet of Jesus. I can't wait to see what God will do through this next Walk!

De Colores,
Regina Terry
